

Project Graduation Class of 2013 Class Dues

Class dues for 2013 are \$25.00 a year paid on a volunteer basis. For each year that your student pays their dues they will be given a ticket for the opportunity to win special prizes at the Project Graduation Party.

This is an all night celebration that includes games, entertainment, food and prizes for all who attend.

The school does not provide funds for project graduation. All money raised through our fundraising and class dues go to providing a safe over night lock in event, which is alcohol and drug free.

To volunteer, donate or to be informed on meetings and developments send your email address to:
