Dear Parents and Students of SCE,

Please allow me to introduce myself as your new Principal. My name is Ms. Drummond, and I am so thrilled to finally meet each of you in a few weeks. This year begins my 27<sup>th</sup> year in education, and it will be my 13<sup>th</sup> year in Montgomery ISD. It truly is the "Best Place to Be"!

I hope you have had a fun summer with family and friends. During June and July, we have been busy preparing exciting events for you to enjoy in 2011-2012. Together, we will make many special memories this year.

You are all invited to "Meet the Teacher" night on August 18, from 5:00-7:00PM. Volunteers will meet you in the foyer and tell you who your teacher will be. Feel free to bring your school supplies if you have them ready. For those families who purchased school supplies from the PTO, the items will be waiting for you in the classroom on the first day of school, August 22. At "Meet the Teacher", you will visit your new classroom and meet your wonderful teacher. In the classroom, there will be a packet of forms for each family to take home and complete. You may return the papers on the first day of school.

The MISD Transportation Department has set up a computer program to assist families in locating bus routes and times. Busses will no longer pick up and deliver students to their front door; therefore, we encourage you to check for your child's bus stop location, loading and unloading times, and the specific bus number. You may access the site through the MISD webpage. Additionally, there will be staff members in our Computer Lab to help you locate this information at "Meet the Teacher".

At Stewart Creek Elementary, we want to build a bridge to connect with children, parents and community members. This is YOUR school. Come visit us anytime because we have time for YOU. It is an honor to serve you and MISD.

Sincerely,

Judy Drummond
