All Competing MISD Bands Receive Coveted Sweepstakes Award!

Congratulations to the High School Symphonic, High School Concert, and Junior High Honor Bands on achieving the Sweepstakes Award! All three bands competed at the UIL Concert and Sight-Reading contest and received straight 1's across the board from all judges.

This is the sixth consecutive year for the High School Symphonic Band to receive a Sweepstakes award, the first year (and first in Montgomery High School history) for the Concert Band, and the third time in five years for the Junior High Honor Band.

The High School Symphonic Band is under the leadership of Mr. Glen Oliver, the High School Concert Band is under the direction of Mr. Lane Folds, and the Junior High Honor Band is under the direction of Mr. Woodrow Smith. All of the competing students began their band career with Mr. Blacksher at the Montgomery Middle School, and have brought many talents and achievements to the program.

The Band Department would like to thank the MISD Administration, Montgomery Band Boosters, parents, and students for their help and support for all our outstanding Fine Arts programs.
