LSE 3rd Graders Participate in Battle of the Books Competition

Lone Star Third Grade students participated in LSE’s Second Annual Battle of the Books Competition on May 2. All Third Graders spent the school year reading titles from the Battle of the Books reading list. Students were grouped into teams and then given the chance to test their book knowledge by answering questions in a “college bowl” style competition. Team Shannon earned 1st Place, Team Van Namen earned 2nd Place, and Team Smith earned 3rd Place.

Congratulations to all of the teams that participated!
