LSE 4th Graders Participate in Battle of the Books Competition

Lone Star Fourth Grade students participated in LSE’s Third Annual Battle of the Books Competition on May 9. All Fourth Graders spent the school year reading titles from the Battle of the Books reading list. Students were grouped into teams and then given the chance to test their book knowledge by answering questions in a “college bowl” style competition. Team Stuart earned 1st Place, Team Baker earned 2nd Place, and Team Zolkoski earned 3rd Place.

Congratulations to all of the teams that participated!
