The Montgomery High School Theatre Department has been selected to perform in the world’s largest and most prestigious arts festival in the world known as the American High School Theatre Festival in Edinburgh, Scotland!!

Each August, the capital of Scotland becomes the most magical and exciting place on earth as performing artists from all over the world come to take part in the Edinburgh Fringe Festival. The whole city becomes a stage. The city bursts at the seams, as Edinburgh, Scotland becomes the largest stage in the world to its own array of international performers. In 1947, the Edinburgh International Festival was formed as a platform to promote peace and unity in the world after the war.

Our Montgomery High School Theatre Department was selected by the AHSTF Board of Advisors (made up of respected University Theatre Professors across the United States) to represent the United States as part of the 2013 AHSTF program for a two week stay in England and Scotland.

The Board ranks nominated schools on their bodies of work, honors, awards, philosophies, recommendations and overall theatrical excellence. These top ranking theatre winners are invited to represent the United States and Canada at this venue.
Our Montgomery theatre students will fly to London, England and tour the Globe Theatre and other historic sites for two days, and then take the train to Edinburg, Scotland where they will perform on four different occasions.

If you are interested in accompanying them or knowing more about this exciting journey, contact Suzanne Ray.

We are proud of our theatre students and wish them well as they represent our school in Scotland next summer.
