MISD Recognized at Region VI Fall Administrators' Conference

On Wednesday, October 26, 2011 at the Region VI Fall Administrators’ Conference all 8 MISD campuses were recognized for the success of their students on the State Accountability System. Every campus in MISD was rated “Exemplary” or “Recognized” by the State of Texas. Pictured with Senator Ogden and Dr. Gibson are principals Sonja Lopez, Wendy Graves, Carolyn Fiaschetti, Jada Mullins, Sheryl Moore, Duane McFadden and Phil Eaton.

Also recognized as Region VI “Middle School Principal of the Year” was our very own Sheryl Moore.

Congratulations to all of our schools and to Mrs. Moore.

Good Luck to Mrs. Moore as she competes for the State Principal of the Year honor.
