MRE Second Street Stores

MRE Second Graders have been studying the economy and small businesses in Social Studies, and have developed a small business of their own. Each business provides either a good (cookies, candy, jewelry, snow cones, smoothies, plants, hair bows, sodas, popcorn, etc.) or a service (manicure/pedicure, hair styling, and face painting, pet sitting, etc.) The goal of this project is for the students to gain an understanding of income, budget, expenses, profit and how each affects the economy. Each student hopes to make enough money to pay off their debt and still have a profit that they can budget to fill their needs and wants.
