Ronald McDonald Anti-Bullying Program at MES

Montgomery Elementary School students and staff were recently honored with a special visit from Ronald McDonald. Ronald entertained students as he discussed what it means to be a good friend to others and not to bully others. In addition to this informative program, Mrs. Patti Barfield's 4th grade students were treated to preferential seating at the program and Happy Meals from the local McDonald's for having 100% attendance during the month of October.
