SCE student named winner in the Invest Writing competition

Ivy Scharlach, a 4th grade student in Mrs. Linda Ward's class at Stewart Creek Elementary School, has been named the 4th and 5th grade Texas Winner in the Invest Write writing competition. She wrote her first place essay on the three keys to selecting a successful investment in the stock market, and the stock she chose was Starbucks, SBUX. The Invest Write contest was an extension of the Stock Market Game, an online activity where teams of 2-5 students are given a virtual $100,000 to invest for 12 weeks.
