The NED Show Visits MRE

America's most popular school assembly, THE NED SHOW, visited MRE! The assembly combines a great message with yo-yos, humor and audience participation to teach students how to develop three valuable characteristics involved in becoming champions at school and in life:

- **Never** give up (focus, persistence)
- **Encourage** others (kindness, shared learning)
- **Do** your best (diligence, excellence)

To see a brief clip of the show go to [www.theNEDshow.com](http://www.theNEDshow.com).
