# MISD Campus News

## Stewart Creek Elementary

By: Elaine Clevenger

Students, parents and staff had a great time at the Go Texan Day Celebration at SCE. Students partnered up and danced for their parents delight! Parents also joined in the dancing fun! All grade levels had the opportunity to see a group of 4<sup>th</sup> graders who were participants in an Elite Dancing team. It was a boot stompin' good time for everyone who attended!

## National School Breakfast Week

**March 6 – 10, 2017**

**Eat a heathy, nutritious, but most importantly, DELICIOUS breakfast every day at school!**

**\*\*Prizes awarded each day on every campus!\***

## Lone Star Elementary School

By: Elisa Krug

First grade scientists are learning all about habitats. Students from Mrs. Griffith's class and Mrs. Adams's class invited friends and faculty to their very own habitat showcase to display and share their findings from research of habitats such as the ocean, forests, the tundra, and wetlands. Their expert knowledge showed as they discussed facts such as animals that live there, plants that grow there, and what the weather is like. Details of how an animal might eat or move or look were paid close attention to when they created their showcase boxes and books of facts. Their feelings of accomplishment showed! And, their confidence in managing a task from start to finish makes Lone Star proud!

## Montgomery Junior High

By: Shannon Sedoff

MJH's first DI Team, Da Vinci's Disciples, participated in last Saturday's DI competition at Oakridge High School. The team participated in the Scientific Challenge - 'Top Secret' and in an 'Instant Challenge'. They all agreed that being a part of a DI team has been a rewarding experience and would like to participate on a team again next year. The team is made up of Logan Olivera, Owen Martin, Jamie Phillips, Elise Milburn and Skye Taylor. The team manager is Mrs. Kim Hignett.

MHS Bowlers are making their mark. Both Miranda Irvine and Jason Longwell advanced in singles and made the Montgomery North All District Team.

The Varsity Boys Team advanced to Regionals as a team. Congratulations to Jason Longwell, Chris Falb, Kevin Romanazzi, Matt Hablinski, Luke Hablinski, Tanner Thomas, Grant Drake, and Mason Negvesky.

Good luck at the Regional Meet this weekend.

## Madeley Ranch Elementary

By: Kelly Lowee

Mrs. Serrill's 4th grade social studies classes are doing a Spanish Mission PBL. Their driving question was: Where do we place a Mission in New Spain that will maintain Spain's claim to the land and also be successful? This group decided to use TinkerCad on the computer, design their Mission and create their final product through 3-D printing. How cool is this!!

Mrs. Berryman's art classes are learning Roman art inspiration. After a student reminded Mrs. Berryman that the coliseum was built in eight years, they took on the challenge to create their own Roman coliseum in eight days! The attached picture shows their coliseum on day 4. Art history is coming to life on The Ranch.

## Montgomery Middle School

By: Renee Eubanks

Color here, color there, color color everywhere! Last Friday, all MMS students were invited to participate in a Color Battle hosted by the PTO and sponsored by Apex Fun Run. Students were able to reach goals by collecting donations which qualified them for a variety of special prizes such as extra color packets, cinch packs, neon sunglasses, mini drone and raffles for amazing prizes like Beats Solo 2 Headphones and a Fitbit!

By reaching a fund raising goal, our fearless leaders, Mr. Williams and Mr. Whitehead, came adorned in tutus and wigs to celebrate the achievement. Everyone on campus, teachers, staff, administrators and custodians, joined in the fun and games throughout the afternoon! Many thanks go out to the students, PTO and Montgomery community for their continued support of Montgomery Middle School!

## Montgomery Intermediate School

By: Kim Wunderlich

MIS 5<sup>th</sup> graders had a Marvelous Monday! It was the kick-off pep rally for the Color Run fundraiser. This pep rally featured a Karaoke-style sing-off with the winner being able to cover Hurricane Hunter with color! Once again, 5<sup>th</sup> graders will have an opportunity to raise funds, and celebrate in a Colorful Way. This year, all money raised will go towards the purchase of P.E. equipment. Friday, March 10, MIS will host three separate Color Run events for all 5<sup>th</sup> graders to participate in! What a way to start Spring Break!

The MES first graders had a chili cook-off. Each class presented chili for campus judges. The judges had the difficult task of handing out awards for the delicious treats. Mrs. Edsall's class won *Best All Around* while other awards were given for presentation, meatiest, healthiest, etc. Congratulations to these chefs!

Mrs. Hannum, art teacher at MES, was excited to announce her finalist for the Terrific Trees of Texas art contest. Ten fourth graders were selected to have their art sent to the contest director in Conroe. Good luck to our MES artists!
