MISD Campus News

Stewart Creek Elementary

By: Elaine Clevenger

Fourth Grade students and teachers geared up for the STAAR writing test by participating in Camp Write Along. Teachers and students pitched tents, read by the campfire and wrote amazing stories about their camping experiences. It was an interactive and fun way to experience writing. Thanks to the fourth grade students for participating in the fun!

Saturday, April 8th

MJH Bear Buddies help increase social skills and build self-esteem, as well as help students with disabilities build true friendships and become more accepted and included in school and extracurricular activities. The purpose of this peer assistant program is to encourage inclusion, increase knowledge, develop leadership skills, develop empathy and respect for students with disabilities, and learn more about possible careers involving individuals with disabilities. Our Bear Buddies are helping in the classroom, during PE, as well as fostering new friendships during lunch, pep rallies and during many other extra-curricular activities.

Congratulations to Murrai Scanlon for being selected Teacher of the Year and Paul Cardenas for receiving the Spirit of the Bear award!

MMS is proud to have faculty and staff who represent our school and community in such a positive way!

"Ms. Scanlon challenges her students to think, problem solve and be creative" says Mrs. Tyler, "while Mr. Cardenas treats all of the students as if they are his own and everyone else like they are family," says Mrs. Snow.

Lily Pyle, a fourth grader at MES, won the Terrific Trees of Texas art contest. Each year, a student's art is chosen to be displayed on a bookmark for libraries in the Montgomery County area. There will be a banquet honoring the tremendous art Lily created. Way to go!

Montgomery is proud to announce Amy Edsall and Malynda King as this year's Teacher of the Year and Spirit of the Bear winners! Mrs. Edsall is a first grade teacher who always has a smile for everyone. Mrs. King is the Child Nutrition Manager for MES. She has a gift for connecting with the students.

Lone Star Elementary

Cake, cookies, and pie, oh my! Dessert is a great way to end a fabulous week at Lone Star. Staff enjoyed this dessert bar provided by our caring friends at Stewart Elementary in Conroe ISD. This kind thought was in memory of Jenny Runnels from those who had also worked so closely with her in CISD. We appreciate the thoughtfulness of Ms. Fitzpatrick and look forward to having her in our Montgomery ISD family.

The Montgomery Jazz Band was named the best jazz band at the Blinn College Buccaneer Jazz Festival. For the first time in school history, Montgomery had two Jazz Bands compete. Winning individual awards for Jazz 2 were Zack Armstrong and Elizabeth May.

Jazz 1 performed what the judges said was a very impressive concert. Will Brock, John Baker and Marti Clotiaux were all recognized as outstanding soloist.

If you would like to catch the Montgomery Jazz Bands live, visit the Lions Jazz Festival in Bryan on Saturday, April 8th, at 3 pm

Kindergarten is studying plants at MRE. They are learning all about the roots, stems, seeds and flowers. They even tasted certain parts of the plant. We have some little botanists at The Ranch.

Mrs. Berryman took her students to Rome using google maps. They started at MRE on satellite view and zoomed out to look at Montgomery then America. They then took a virtual plane across the ocean. Students located Italy, zoomed in on Rome and finally the Coliseum.
