

Fourth Grade Math Year at a Glance-
Blueprint 2020-2021

	Topic	Fact Fluency/Kim Sutton
Quarter 1	Establish Math Routines First 20 Days 1-2	Set up the classroom number line & daily 3 routines.
	1. Place Value First 20 Days 3-16	8/19-8/30: Mixed Addition Practice Strategies
	2. Adding and Subtracting: Whole Numbers and Decimals First 20 Days 17-20	9/3-9/16: Even/Odd Multiplication Strategies 9/17-10/1: Multiply by 2 Strategies 10/2-10/11: Multiply by 5 Strategies
Quarter 2	3. Number Sense: Multiplying by 1-Digit Numbers	
	4. Developing Proficiency: Multiplying by 1-Digit Numbers	10/15-10/28: Multiply by 10 Strategies
	5. Number Sense: Multiplying by 2-Digit Numbers	10/31-11/11: Properties of Zero Strategies
	6. Developing Proficiency: Multiplying by 2-Digit Numbers	11/12-11/22: Properties of One Strategies
	7. Number Sense: Dividing by 1-Digit Divisors	12/2-12/13: Multiply by 11 Strategies
Quarter 3	8. Developing Proficiency: Dividing by 1-Digit Divisors	
	9. Patterns and Equations	1/7-1/21: Multiply by 3 Strategies
	10. Fraction Meanings and Equivalence	1/22-2/3: Multiply by 6 Strategies
	11. Adding and Subtracting Fractions with Like Denominators	2/4-2/19: Multiply by 9 Strategies
	12. Measurement Units and Conversions	2/20-3/3: Multiply by 12 Strategies
Quarter 4	13. Solving Measurement Problems	3/4-3/13: Multiply by 4 Strategies
	14. Lines, Angles, and Shapes	3/23-3/24: Multiply by 4 Strategies
	15. Data Analysis	3/25-4/7: Multiply by 8 Strategies
	16. Personal Financial Literacy	4/8-4/22: Multiply by 7 Strategies
	Cumulative Review	4/23-5/6: Mixed Multiplication Practice Strategies
	STAAR Testing	5/13-5/21: Two Operation Drill Commands
	Step up to Grade 5
