

### Third Grade Math Year at a Glance- Blueprint 2020-2021

	Topic	Fact Fluency/Kim Sutton
Quarter 1	Establish Math Routines First 20 Days 1-2	Set up the classroom number line & daily 3 routines.
	1. Numeration First 20 Days 3-12	8/19-8/30: Mixed Addition Practice Strategies
	2. Number Sense: Adding and Subtracting Whole Numbers First 20 Days 13-20	9/3-9/16: Even/Odd Multiplication Strategies 9/17-9/30: Multiply by 2 Strategies
	3. Developing Proficiency: Adding and Subtracting Whole Numbers	10/1-10/11: Multiply by 5 Strategies
Quarter 2	4. Multiplication Meanings	
	5. Multiplication Facts: Use Patterns and Known Facts	10/11-10/15: Multiply by 5 Strategies
	6. Meanings of Division	10/16-10/29: Multiply by 10 Strategies
	7. Division Facts	10/30-11/12: Properties of Zero Strategies 11/13-12/3: Properties of One Strategies
Quarter 3	8. Number Sense: Multiplying 2-Digit by 1-digit Numbers	12/4-12/17: Multiply by 3 Strategies
	9. Developing Proficiency: Multiplying 2-Digit by 1-Digit Numbers	1/7-1/21: Multiply by 6 Strategies
	10. Patterns and Equations	1/22-2/4: Multiply by 9 Strategies
	11. Understanding Fractions	2/5-2/20: Multiply by 4 Strategies
	12. Shapes and Solids	2/21-3/5: Multiply by 8 Strategies
Quarter 4	13. Measurement: Perimeter and Area	3/6-3/13: Multiply by 7 Strategies
	14. Measurement: Capacity, Weight, Mass, and Time	3/23-3/26: Multiply by 7 Strategies
	15. Data Analysis	3/27-4/9: Mixed Multiplication Practice Strategies
	16. Personal Financial Literacy	
	Cumulative Review	Continue Mixed Multiplication Practice or revisit other blocks
	STAAR Testing	
	Step Up to Grade 4	5/13-5/21: Multiply by 11 and 12 Strategies
