Montgomery ISD raises starting pay for district bus drivers to \$18.50 per hour

District approves pay raise to honor those staying and recruit needed drivers

September 29, 2021 – Montgomery ISD has increased starting pay for district bus drivers to \$18.50 per hour, from a previous rate of \$17 per hour. Just like school districts all over the country, Montgomery ISD is in need of bus drivers to fill the need for rapid growth and development throughout the district.

Montgomery ISD bus drivers are paid while they train, are offered competitive benefits and receive state retirement packages through the Texas Teacher Retirement System (TRS), while serving the students and families of the A-Rated district.

“This pay increase is a reward for the continued efforts of our staff and drivers,” Director of Transportation Elissa Cross said. “We truly hope it brings us qualified, service-driven individuals to add to our amazing team, in order to best serve our growing district.”

Individuals interested in applying can do so online at www.misd.org under the employment opportunities tab.
