

## Montgomery Independent School District

20774 Eva St. P.O. Box 1475  
Montgomery, TX 77356  
Telephone: (936) 276-2000

Superintendent, Dr. Heath Morrison

---

Dear Montgomery ISD Community,

It is a great day for the Montgomery Independent School District!

With a total of 64% of votes in favor of Proposition A, 57% of votes in favor of Proposition B, and 65% votes in favor of Proposition C, Montgomery ISD voters have approved the *entire* 2022 bond proposal that was on the May 7 Election Ballot.

I want to thank all of you who voted in this very important election. The outcome of this election will have a positive impact on the lives of students for many years to come and will benefit our entire district as we experience this rapid growth, while aiming to provide an excellent level of education to every family that calls Montgomery their home.

As we begin the process of selling bonds and initiating the bond projects approved by voters, I want you to know that we remain committed to the highest level of transparency to our community and our taxpayers. We will keep the community informed on the progress of this bond program and provide updates on important milestones and events. On our district website, we will track the progress of every project and allow the community to see where bond funds have been allocated. We will continue to provide timely responses to your bond-related questions, which you may submit through the [Let's Talk tab on our district website](#).

I would like to express my deep appreciation to the nearly 60 members of the MISD Community Bond Task Force who dedicated countless hours of their time to study the needs of the district and provide a unanimous recommendation regarding the bond proposal to the Board of Trustees. The work of this committee was critical to ensure the proposal addressed the priority needs of the district as determined by members of our community. Thank you to the citizens in our community who volunteered to help educate voters on the bond proposal. I also want to thank members of the MISD Success for All PAC who graciously volunteered their time to ensure the needs for this bond proposal were clearly and effectively articulated across the community.

Finally, thank you to the MISD Board of Trustees for providing leadership and direction to ensure our district serves our growing number of students now and in the future.

I am incredibly grateful to serve as your superintendent and am so very thankful for the support of our community. I look forward to the next exciting chapter on our *Pathway to Premier*.

With sincere appreciation,

Dr. Heath Morrison  
Superintendent  
Montgomery ISD
