

**NOTICE OF PARENT AND STUDENT RIGHTS UNDER SECTION
504: THE REHABILITATION ACT OF 1973**

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to nondisabled students.

An eligible student under Section 504 is a student who (a) has, (b) has a record of having, or (c) is regarded as having, a physical or mental impairment which substantially limits a major life activity such as learning, reading, concentrating, thinking, communicating, caring for oneself, walking, standing, bending, lifting, seeing, hearing, eating, sleeping, speaking, breathing, working, performing manual tasks or the operation of a major bodily function. The District must provide appropriate services to identified students. The District may not discriminate against students with disabilities.

DUAL ELIGIBILITY: Many students will be eligible for educational services under both Section 504 and the Individuals with Disabilities Education Act (IDEA). Students who are eligible under the IDEA have many specific rights that are not available to students who are eligible solely under Section 504. An Explanation of Rights and Procedural Safeguards (SPE 216E) prepared by the Texas Education Agency is available through the school district's Special Education Program and sets out the rights assured by the IDEA. It is the purpose of this Notice form to set out the rights assured by Section 504 to those disabled students who do not qualify under the IDEA. Please keep in mind that Section 504 is not a program. It is an anti-discrimination law.

The enabling regulations for Section 504 as set out in 34 Code of Federal Regulations (CFR) Part 104 provide parents and / or students with the following rights:
