July 2023

Dear Volunteer,

The purpose of a school volunteer program is to provide an opportunity for parents and other interested adults to assist school personnel in the operation of the schools. Volunteers help Montgomery Independent School District meet its mission of providing a quality educational foundation to successfully prepare students for their future. In short, school volunteers are a valuable, needed and appreciated resource to our students and staff alike.

All of our children are full of potential and promise. Each and every young person attending our schools must be provided a safe and secure environment that nurtures and enhances their learning. Screening our volunteers provides assurance to our parents and to our community that the district is taking the necessary steps to proactively and reasonably preserve a safe and secure learning situation.

Continuing with this school year, volunteers who work directly with campuses and with students will be required to complete an *MISD Volunteer Services Form*. The background check is strictly confidential and will be processed through the Education Support Center. The continued success of Montgomery's young people depends on the steady increase of community support for the District's schools, and volunteerism is an excellent avenue by which to get involved and support our schools.

If you are interested in volunteering on one of our campuses, please complete the *Montgomery ISD Volunteer Services Form* and return it to your specific campus receptionist.

Sincerely,

Denise Miner
Assistant Superintendent of Human Resources

To apply:

- **Return the *MISD Volunteer Services Form* to the campus.**
