

Should I just print that form 1295 and include it in my RFP response? Is there anything else I need to do to ensure that is done correctly? **That is correct. Just print it and include it with the bid documentation. If awarded I will accept it.**

Where do we put our scope of services and price list? **Everyone does it differently, just make sure it's included**

What should be submitted, is it only our responses of the forms from pages 24-44 only? **Most companies include a profile about the company, staff experience and other documentation such as certificates**
